For OVER median income debtors, the plan must be 60 months or a shorter period that is sufficient to pay allowed nonpriority unsecured claims in full.

For UNDER median income debtors, the debtor(s) must make sufficient periodic or other payments to enable the trustee to make the payments to creditors stated in this plan, regardless of the number of months indicated in this part of the plan. Thirty-six or more months after confirmation, the plan's term will end when all holders of allowed nonpriority unsecured claims have received the payment amount or percentage stated in Part 5. Prior to 36 months after confirmation, the plan term will end when all holders of allowed claims have received the payment required by the plan and holders of nonpriority unsecured claims have been paid in full. The plan term will not end earlier than stated in this Part 2 if there is a creditor listed in § 4.5 of this plan that will receive less than full payment of its claim under 11 U.S.C. §§ 1322(a)(4) and 507(a)(1)(B).

2.2 Regular payments to the trustee will be made from future income in the following manner:

The debtor(s) will maintain payments during the case on the secured claims listed below by paying the claimant directly. For allowed secured claims provided for in the plan, the trustee will disburse payments on any arrearage sufficient to pay the arrearage in full, with interest, if any, at the stated rate. If the Interest rate on arrearage column is left blank, no interest will be paid. The trustee will disburse payment on any arrearage listed on a proof of claim filed before the filing deadline under Bankruptcy Rule 3002(c) or 3004, and amounts so listed control over any contrary amounts stated below as to the current installment payment and arrearage. The trustee will disburse amounts listed in the Monthly plan payment on arrearage column, the trustee will disburse payments to the creditors listed in this Part pro rata with other secured creditors that do not receive equal monthly payments. If a secured creditor obtains relief from the automatic stay as to collateral listed in this section, the trustee will cease payments to that creditor, and the plan will be deemed not to provide for secured claims based on that collateral.

The final column includes only payments disbursed by the trustee rather than by the debtor(s).

If no entry is made in the Interest rate column, the proof of claim controls the rate of interest. If no interest rate is listed in the plan or proof of claim, then no interest will be disbursed by the trustee. The trustee will disburse amounts listed under the Monthly payment to creditor column in equal monthly payments. If no amount is listed in the Monthly plan payment column, the trustee will disburse payments pro rata with other secured creditors. If the court orders relief from the automatic stay as to any item of collateral listed in this paragraph, the trustee will cease disbursement of all payments under this paragraph as to that collateral, and the plan will be deemed not to provide for all secured claims based on that collateral.

The portion of any allowed claim that exceeds the amount of the secured claim will be treated as an unsecured claim under Part 5 of this plan. If the amount of a creditor's secured claim is listed below as having no value, the creditor's allowed claim will be treated in its entirety as an unsecured claim under Part 5 of this plan. The amount of the creditor's total claim listed on the proof of claim controls over any contrary amounts listed in this paragraph.

The holder of any claim listed below as having value in the Amount of secured claim column will retain the lien on the property interest of the debtor(s) or the estate(s) until the earlier of:

These claims will be paid in full under the plan with interest at the rate stated below. These payments will be disbursed by the trustee.
